

# Tarot Lesson Sheet

## INTERPRETING CARDS IN A SPREAD

INTERSTELLARTAROT.COM

In this lesson we used the Past, Present, Future spread for the question, "What is coming my way in love?" This worksheet can be used to write down the cards that you pulled, their meanings and/or keywords, general notes, etc. (you can even draw sketches of the cards or symbols!) This template can be printed over and over for practice. You can find other tarot learning materials on Etsy.com in my shop, *TheInterstellarShop*.
